**BOYS & GIRLS CLUBS**  
OF BENTON AND FRANKLIN COUNTIES

## Our Mission...

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

### **Attendance Policy**

On regular school days club members must attend school to attend the Boys & Girls Club. If children are too sick to attend school or miss for any other reason they will not be allowed to attend the Boys & Girls Club for that day.

**Children attending the B&GC MUST have their B&GC membership card each day in order to attend.** Membership cards are given to children after their registration form has been completed and the membership fee has been paid. Replacement cards cost \$1.00 each. Members may pay \$.25 for one day of attendance. Members not having their membership card or \$.25 for admittance will be sent home.

### **Attention:**

**This is a drop-in afterschool program. Children may leave the premises at will. This is not a licensed program.**

### **Discipline Policy**

The Boys & Girls Clubs of Benton and Franklin Counties work to provide a safe and secure environment where all children are treated equally and fairly.

#### ♦ **Unacceptable Behavior:**

**Stealing, cursing, disrespecting staff, vandalism, mistreating club equipment or personal property, or touching other children inappropriately or fighting.** For any one of these above listed behaviors, your child will be sent home for the day and may be suspended for additional days.

- ♦ *B&GC Staff will use their discretion on discipline measures and have the right to alter consequences depending on the individual case. Parent concerns or questions regarding the discipline policy should be directed to the Branch Director.*
