LEGO Robotic Camps

**LEGO Robotics:
Go-Go Legos
June 20 – 24**

Interested in LEGO Robotics? This camp is great for beginners looking to create robots that can move.

**LEGO Robotics:
Revenge of the Sensors
July 18 – 22**

Members that are looking to learn more about Legos and their sensors, this camp is for you!

**LEGO Robotics:
Battle Bots
August 8 – 12**

This camp is for all lego enthusiasts. Taking Legos to a whole new level.

June

Ready, Set Animate!

June 13 - 17

Spend the first week of summer learning about stop-motion animation and the animators that created iconic films and characters in this medium.

Silly Science

June 20 - 24

Who says science can't be fun and creative? A fun filled week of science and how it effects art, music and the world.

Costumes, Lights, Glee

June 27 - July 8

Drama camp has never been so much fun! Inspired by show choirs and the music of Glee, members will put on drama skits, dance and sing in musical numbers. At the end of camp members will put on performances for friends and family.

July

It's Not Easy Being Green

July 11 - 15

What's your carbon footprint? Create artwork with recyclable materials and learn new ways to re-use household items.

Get Healthy, Stay Fit

July 18 - 22

Members will spend the week playing soccer, softball, creating workout music, four square painting, and other fun activities to encourage healthy living and staying fit during the summer months.

Artsy Wood

July 25 - 29

Create wonderful pieces of art using only wood. Learn how to carve wood, build using wood and the importance of wood in our lives.

August

Say Cheese!

August 1 - 5

A week packed full of Photography fun. Armed with digital cameras, members will hike, climb and explore Tri-Cities natural habitats.

Avant Garde Art

August 8 - 12

Tired of boring art? Its time to think out-side the box! Learn new techniques and ways to create art masterpieces.

Percussion Junction

August 15 - 19

Love to hit things and make rhythms? Using non-traditional instruments, learn to make music as a group.

Movie Tech

August 22 - 26

Going to the movies can be a lot of fun. Spend the week creating your own fictional movie trailer.

What is the Music & Arts Center

The Music & Arts Center (MAC) provides a fun and enriching environment for school aged youth.

Many students attend the after school program, home school courses and weekly camps during school breaks.

After school programming includes enrichment courses in a variety of art, music and technology subjects. Camp activities are based on weekly themes and include field trips and recreational sports.

What to Bring

Lunch:

Sack Lunches are required June 13 – 17 and August 15 – 26

June 20 – August 12 campers walk to Kennewick's Activity Center to partake in the free summer lunch program.

Campers can bring a sack lunch to eat at the park if they choose.

Clothes:

Campers walk to and from the park daily for exercise and lunch. Appropriate shoes and clothing for outdoor play is needed. Swimsuits or lined swim trunks, towels and an extra change of clothes are also required on swim day.

Summer Camp Hours

Monday – Friday 8am-6:30pm

Extended Drop-In 7am-8am for an additional fee

BOYS & GIRLS CLUBS
