About Us!

The Boys & Girls Club Main unit has over 22,000 sq. feet dedicated to children.

The Boys & Girls Club Main Unit includes:

A 20-station computer lab

Full-size gym

Kid Café & Complete Kitchen

Games Room (pool tables, foosball, ping pong, etc.)

Art Studio

Library

Outdoor Playground

“Gross and Goopy”

June 16th-25th

What could be better than mucking around with a slime pile or guessing the goo? During this **Gross and Goopy Science Camp** your little mad scientist will find out some pretty neat things while exploring and getting hands on with goo and other cool things!

“Summer Blast”

June 28-July 2

Summertime is the time for festivals, fairs and carnivals. Children will learn about American festivals and prepare for their own carnival. We will be clowning around ourselves, face painting, juggling and maybe even get a chance to throw a pie at a staff during our carnival! We will be celebrating our nation with a bang in honor of Independence Day!

Club Closed Monday July 5th in observance of Independence Day

“Treasure Island”

July 6-16

Ahoy there fellow pirates! Come ready to help us scour the club for hidden pirate treasures! We will play pirate games such as pin the parrot on the pirate and capture the pirate flag. Get ready to groove to the island beats and have a limbo competition. The kids will have their very own version of “survivor” and then participate in building bridges, puzzle challenges along with making it through an obstacle course!

“Club Spirit”

July 19-30

Show your club spirit during this camp by participating in PJ day, crazy hair day, opposite day, and more! During this camp the kids will reflect on friendships new and old. They will make memory books and work together to achieve goals. From team challenges that will make you think to challenges that will keep you laughing! Some of the kids will get involved with acting out skits on the stage to running and playing tag in the gym. This two week camp will be full of fun!

“Creation Station”

August 2-13

This camp will be full of designing and inventing all kinds of things from our own flying machines to home made ice cream, Fun Food Stamping, Gallery Showing, and even some Digital Photography will encourage the kids' creativity to shine!

“Pets and furry friends”

August 16-27

Bring your favorite stuffed animal from home to be your pal all week or pick a new one for each day!

This camp will be filled with fun pet activities, including searches in the computer lab, fun animal races in the gym and baking homemade biscuits for our local animal shelter. The kids will even get to make their very own kid friendly and sweet tasting puppy chow to snack on!

Things to Look Forward To!

Each week we will be offering special activities that will reflect the camp theme, such as a science lab, bouncing castles, field trips, technology labs, cooking projects, guest speakers and presentations that will include hands on fun! Parents will be given a weekly schedule specifying daily activities along with important information needed for field trips. Summer Camp is a fun filled busy program that allows children choices and new experiences!
